Celebrating Progress: PSCDG GED Test-Takers Ready for the Next Step

We are so proud of the incredible dedication and perseverance shown by our GED program participants as they approach this important milestone. After months of hard work, late nights, and unwavering commitment, they are ready to take the next step toward brighter futures. Their courage and resilience inspire us every day, and we are truly honored to support them on this journey.

We believe in each of you, and we'll be cheering you on every step of the way. You've come so far, and we can't wait to see all the amazing things you will accomplish!

SHINE BRIGHT After School Program

The Shine Bright After School program recently took the kids on a special outing to the movies, and it was a huge hit! It was a great opportunity for them to unwind, bond, and enjoy some time outside of their regular after-school routine. These experiences not only bring joy but also help build confidence and lasting friendships.

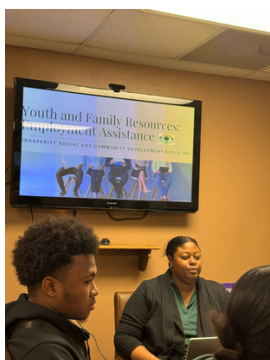

A special thank you to the North Miami Library for making this field trip possible! . We're so grateful for your continued partnership in creating these unforgettable moments for the kids!

S.A.R.A

The S.A.R.A. Coalition hosted our Uniting for Prevention event, featuring keynote speaker Jerria Martin from Selma, Alabama. Jerria, recognized by the White House for her contributions, shared valuable insights on drug prevention, youth decision-making, and community change.

Youth participants earned community service hours, received gifts, and were given personalized recommendation letters from Jerria. The event also showcased coalition members' innovative plans to address youth substance abuse and launched our Sticker Shock Campaign, marking a step toward a safer, healthier community. It was a successful and inspiring day!

Youth & Family Resource

Youth & Family Resource kicked off the new year with an engaging information session for our new participants. This session provided an overview of the programs, resources, and support available to help participants thrive. Attendees learned about the various services we offer, from educational opportunities to community-building activities, and how they can get involved. We're excited to begin the year with so many motivated individuals and look forward to empowering them on their journey toward personal growth and success.

Re-entry Youth Intervention Program

The RYIP program recently hosted a session at Jan Mann with the youth, focusing on career paths and the resume creation process. During the session, the youth engaged in hands-on activities, using worksheets to explore their career aspirations and begin drafting resumes that highlight their professional goals. This interactive session provided the youth with valuable tools for their future careers.

Let's Talk Mental Health

PSCDG offers free mental health services for children and families in Miami-Dade County. Our mission is to make these essential support services readily accessible within local communities and to help break the stigma surrounding mental health. For more information, please contact us.
